About the Book

Aria Ready: The Business of Singing, 2nd Edition is a comprehensive guide to the music industry for singers. It covers everything from getting started in the industry to building a successful career.

The book is divided into three parts:

1. **Getting Started** covers the basics of the music industry, including how to get your foot in the door, how to find a manager and agent, and how to prepare for a career in singing.
2. **Building a Successful Career** covers the essential elements of a successful singing career, including how to develop your vocal skills, how to market yourself, and how to build a loyal following.
3. **The Business of Singing** covers the financial and legal aspects of the music industry, including how to negotiate contracts, how to protect your intellectual property, and how to manage your finances.

Aria Ready: The Business of Singing, 2nd Edition is an essential resource for any singer who wants to build a successful career in the music industry.

What's New in the 2nd Edition?

The 2nd edition of *Aria Ready: The Business of Singing* has been updated to include the latest trends in the music industry, including:

- The rise of streaming services
- The increasing importance of social media
- The changing landscape of the live music industry

The 2nd edition also includes new chapters on:

- How to build a successful online presence
- How to get your music on the radio
- How to tour independently

Aria Ready: The Business of Singing, 2nd Edition is the most up-to-date and comprehensive guide to the music industry for singers available.

About the Author

Richard Marx is a Grammy-winning singer-songwriter with over 30 years of experience in the music industry. He has written and produced hit songs for some of the biggest names in music, including Whitney Houston, Kenny Rogers, and Luther Vandross. He is also the author of the best-selling book, *The Mozart Effect*.
