How to Use Christ-Honoring Conversation Starters

Here are a few tips for using Christ-honoring conversation starters:

- **Be genuine.** Don't try to force a conversation or talk about things that you're not really interested in. Instead, focus on topics that you're

passionate about and that you think the other person will find interesting.

- **Be respectful.** Even if you don't agree with someone's beliefs, it's important to be respectful of their opinions. Listen to what they have to say and try to understand their point of view.
- **Be open-minded.** Be willing to learn new things and to have your own beliefs challenged. Conversation is a two-way street, so be prepared to share your own thoughts and experiences as well.
- **Be patient.** It takes time to build relationships. Don't get discouraged if you don't see results immediately. Just keep at it and eventually you'll find yourself connecting with others on a deeper level.
