The Basics of Dodge Ball Wars

Dodge Ball Wars is a team-based game where two teams of players compete to knock each other out with dodgeballs. The game is played on a court that is divided into two halves by a center line. Each team has its own

half of the court, and the goal of the game is to knock out all of the players on the other team.

To knock out a player, you simply hit them with a dodgeball. Players can throw dodgeballs at any time, but they cannot cross the center line. If a player is hit by a dodgeball, they must leave the court and go to the "penalty box." Players can be released from the penalty box by their teammates, but they must wait until their team has possession of the ball before they can re-enter the game.

Winning Dodge Ball Wars

The team that knocks out all of the players on the other team wins the game. If the game ends in a tie, the team with the most players remaining on the court wins.
