From Donington to Download: A Journey Through Time and Rock and Roll

Donington Park and Download Festival are two iconic names in the world of rock and roll. From humble beginnings, they have both grown into global powerhouses, attracting some of the biggest names in music.

Donington Park first opened its doors in 1931 as a motor racing circuit. However, it wasn't until the 1970s that it began to host rock and roll concerts. The first major event was the Monsters of Rock festival in 1979, which featured headliners such as Black Sabbath, Rainbow, and Scorpions.
