Karla Fernandes' latest work, *Paris Sera Toujours Paris*, is a beautiful and evocative collection of photographs that captures the essence of the City of Light. The photographs are full of life and energy, and they offer a unique perspective on one of the world's most beloved cities.

Fernandes, a Brazilian-born photographer, has lived in Paris for over 20 years. Her love for the city is evident in her photographs, which capture the beauty of its architecture, its people, and its culture. Fernandes' photographs are not simply documentary; they are also works of art. She uses light and shadow to create dramatic effects, and she often juxtaposes different elements to create a sense of tension and excitement.

The photographs in *Paris Sera Toujours Paris* are divided into five chapters: "The City of Light," "The City of Love," "The City of Dreams,"

"The City of History," and "The City of Art." Each chapter captures a different aspect of Paris, and together they form a comprehensive portrait of the city.

The chapter "The City of Light" features photographs of Paris's iconic landmarks, such as the Eiffel Tower, the Louvre Museum, and the Notre Dame Cathedral. Fernandes' photographs capture the beauty of these landmarks, but they also reveal the city's hidden corners and secret places. The chapter "The City of Love" features photographs of couples and lovers in Paris. Fernandes' photographs capture the romance and passion of the city, but they also reveal the challenges and complexities of love. The chapter "The City of Dreams" features photographs of people who have come to Paris to pursue their dreams. Fernandes' photographs capture the hope and ambition of these people, but they also reveal the challenges and sacrifices that they must make. The chapter "The City of History" features photographs of Paris's historical sites, such as the Palace of Versailles and the Sorbonne University. Fernandes' photographs capture the grandeur of these sites, but they also reveal the city's dark past. The chapter "The City of Art" features photographs of Paris's art museums and galleries. Fernandes' photographs capture the beauty of these works of art, but they also reveal the city's role as a center of artistic innovation.

Paris Sera Toujours Paris is a beautiful and evocative collection of photographs that captures the essence of the City of Light. The photographs are full of life and energy, and they offer a unique perspective on one of the world's most beloved cities. Karla Fernandes' love for Paris is evident in her photographs, which are not simply documentary; they are also works of art.
