

The Land of the Unaltered: A Chronicle of the Confederation

The Confederation is a diverse group of people, drawn from all corners of the galaxy. There are humans from Earth, Mars, and Venus, as well as aliens from a variety of other worlds. Despite their differences, these people have come together to forge a new society, one based on the principles of peace, cooperation, and mutual respect.

The Confederation is not without its enemies, however. The Grul, a race of aliens that are bent on destroying humanity, are a constant threat. The Grul are a powerful and ruthless enemy, and they have already conquered many human worlds. The Confederation is one of the last human bastions standing, and it is only a matter of time before the Grul launch their final assault.

In the face of this threat, the Confederation must find a way to unite and fight back. The fate of humanity depends on it.
