Music is a powerful tool that can be used to engage students, inspire their creativity, and enhance their learning experience. As a teacher, it's essential to have access to a wide range of music and song resources to help you create effective and engaging lesson plans.

That's where our music and song resource comes in. This comprehensive collection of materials has been carefully curated to provide teachers with everything they need to teach music effectively at all levels.

### What's Included in Our Resource?

- **Lesson Plans:** Ready-to-use lesson plans that cover a wide range of music topics, from basic music theory to advanced performance techniques.

- **Songs:** A vast library of songs from all genres and cultures, including folk songs, classical pieces, and popular hits.
- **Activities:** Fun and engaging activities that can be used to reinforce music concepts and develop students' musical skills.
- **Interactive Lessons:** Online lessons that use interactive technology to make learning music fun and engaging.
- **Differentiated Instruction:** Materials that are designed to meet the needs of all learners, regardless of their musical background or ability.
- **Music Theory:** Comprehensive resources that can help students understand the fundamentals of music theory.
- **Music Appreciation:** Resources that can help students develop an appreciation for different genres of music and musical styles.

## How to Use Our Resource

Our music and song resource is easy to use and can be integrated into any music curriculum. Here are a few tips for getting started:

- **Browse the materials:** Take some time to browse the materials and get a sense of what's available.
- **Search for specific topics:** Use the search bar to find materials on specific topics, such as "music theory" or "folk songs."
- **Create playlists:** Create playlists of songs that you can use in your lessons.
- **Share with students:** Share the resources with your students so they can access them at home or on their own devices.

## Benefits of Using Our Resource

There are many benefits to using our music and song resource in your classroom:

- **Engages students:** The engaging and interactive materials in our resource will help to keep students engaged and motivated.
- **Inspires creativity:** Music and song can inspire students' creativity and help them to develop their own musical ideas.
- **Enhances learning:** Music and song can be used to enhance learning in all subject areas, not just music.
- **Supports differentiated instruction:** Our resources are designed to meet the needs of all learners, regardless of their musical background or ability.
- **Saves time:** Our ready-to-use materials will save you time and energy in planning and teaching music lessons.

Our music and song resource is an essential tool for any teacher who wants to engage and inspire their students through music. With its comprehensive collection of materials, user-friendly design, and proven effectiveness, our resource will help you to create effective and engaging music lesson plans that will leave a lasting impression on your students.

## We're Putting Our Toys Away

(Tune: The Farmer in the Dell)

We're putting our toys away,  
We hope it won't take all day,  
To have more fun,  
We'll get it all done,  
We're putting our toys away.

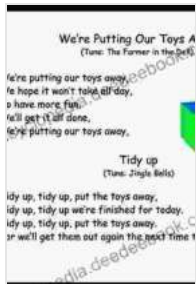

## Tidy up

(Tune: Jingle Bells)

Tidy up, tidy up, put the toys away,  
Tidy up, tidy up we're finished for today.  
Tidy up, tidy up, put the toys away.  
For we'll get them out again the next time that we play.
